"I am really new at this and don't really know what to say. I am grateful for all of my cat friends. I really like living here. I don't like it when other cats get into disagreements. But it usually passes quickly. I like being fed. I like toys and treats. I really love when they come with catnip and that makes all of us feel really good. It feels good to be me. I guess that is all I can say. I hope you have happiness in your lives. And friends. And food. And I hope you feel grateful too."
