

Misty Mew

"I am kind of a celebrity here at the farm. And while I really don't need to be that way, it does kind of suit me. But periodically, it gets to be a bit much. There are a lot of people to greet here. And my work is never done. I sometimes need to coach our caretakers and volunteers and also soothe the hearts of visitors. At times though, I need to find a nice quiet place to curl up and rest and tend to myself. I am grateful to be given the opportunity and space to do all of these things. It is very important that you take care of yourself as much as you do for others. Listen to my advice. You know I'm talking to you."
